LOCAL & GENERAL NEWS.

Mr. Justice Bickerton sits at Chambers this week.

Hos. and Mrs. John Ena have a card of thanks elsewhere.

A black silk umbrella was lost at the baseball grounds on Saturday.

A mow horse branded JA has been lost. Here's a chance for Napoleon.

There will be a party on the U. S. S. Mohican Wednesday afternoon from 2 to 5 o'clock.

Mr. Jas. F. Morgan's auction sale on Saturday was well attended, but the bidding was very slow.

The Mayhem who had to pay a fine in the Police Court on Saturday for drunkenness was not E. E. Mayhem.

The Temple of Fashion has an important notice elsewhere respecting the arrival of new goods by the Australia.

Ession C. S. Ripley, well known in Honolulu, has been ordered to report for duty at the East Florida Seminary, Gainesville, Fla.

Quite a number of tickets have already been sold for the Sauvlet concert. The box plan is still open at Mr. Levy's office.

PREPARE yourself for rainy weather by stepping into Goldberg's store and purchasing a genuine mackintosh coat and an umbrella.

On Wednesday at 10 a. m., Mr. Levy will hold a special sale at his auction rooms of dry goods, clothing, crockery and glassware, and at noon cases of English ale.

THE blue flag with the letter M is flying from Eugene Co. No. 1 pole, so that it is evident there is a special meeting there this evening, probably on election matters.

SEVERAL yachting parties went to Pearl Harbor on Saturday and Sunday. One of the parties that went down on Saturday did not get back until Sunday night, on account of calms.

THE S. S. Australia is due on Friday from San Francisco with nineteen days' later news. The S. S. Zealandia is due Saturday morning from the Colonies en route to San Francisco.

Noon day meetings are being held at the Y. M. C. A. this week, it being the week of prayer for young men and Y. M. C. A. throughout the world. They commence at 12:05 and continue thirty minutes.

NOTHING of public interest was done at the Board of Health meeting this morning. It was stated at the meeting that there was a scarcity of cattle on Molokai, which will lead the Board to advertise for a supply.

THIS is the last week of Sachs' mammoth clearance sale and the last chance for big bargains. Those who have not yet taken advantage of the sale, should not delay in calling and see the bargains that are offered.

THE rails of the Oahu railroad are being rapidly laid. Between noon of Thursday and the noon of Saturday last, over one mile of ties and rails was placed in position under the personal supervision of Mr. B. F. Dillingham.

It was the intention to have started the house electric lights Saturday night, but the box covering the water wheel leaked, causing a postponement. Repairs are being made and it is probable that everything will be in working order by Tuesday night.

THE Blue Ribbon League had a very good entertainment at the Y. M. C. A. hall Saturday evening, the President, Rev. H. H. Gowen, in the chair. A song by Miss Patch and a duet by Miss Hight and Levi Lyman were well rendered and encored. Rev. S. E. Bishop delivered the address.

THE baseball game on Saturday between the Punahou and Valley Boys was largely attended. The Punahous scored 13, Valley Boys 11. One of the members of the Hawaii League coached the Punahous for about half the game, which is contrary to all baseball rules, and the Valley Boys should have protested.

A WARRANT was sworn out on Saturday for the arrest of a marine who had deserted from the U. S. S. Nipsic. A native policeman arrested the marine but instead of taking him to the station house, went with him to Waikiki and the baseball match. Finally when the matter became known the marine was locked up, and the policeman has since been suspended.

MR. A. T. Atkinson, Inspector-General of Schools, returned to town on Saturday on the Likie. He has been absent seven weeks, and during that time has made a circuit of the schools on the islands of Molokai, Lanai and Maui. Mr. Atkinson found them in very good condition. There was much enthusiasm among the teachers, and the different school agents are looking well after the school buildings.

A VERY pleasant birthday party was given by Mr. and Mrs. Geo. W. C. Jones at their residence, Palama, on Saturday afternoon. It happens that the anniversaries of five of their children falls within this month, making their celebration all together quite appropriate. There was a fine feast of good things on the occasion, to which a large number of friends gathered. The juvenile guests had a rare lot of fun before and after their entertainment at the tables.

SUPREME COURT-AT CHAMBERS.

BEFORE JUDGE, C. J.

MONDAY, Nov. 11th.

Peter Kahoonui vs. John Hamauku et al. Ejectment. Jury waived. Suggestions of death of John Hamauku. Paalaa Hamauku, widow, and Edwin, Iokapa, and Keoni, minor children, are ordered substituted in the place of John Hamauku. A. Rosa for plaintiff; W. O. Smith for defendants.

In re estate of Samuel Harrison. Petition of Frederick Harrison, administrator, for allowance of accounts, discharge and final order of distribution. The Court orders the accounts approved and administrator discharged. Cecil Brown for petitioner.

BOOKED TO LEAVE.

Per S. S. Australia, November 22d: B. L. Tenney, Miss Young, Miss M. J. Lowden, Mrs. I. Q. Tewksbury and child, J. McCarthy and wife.

NAVAL ACROSTIC.

The warships now in "naval row" in this port are ranged in the following order, beginning from the light-house:

M-OHICAN.
A-BERT.
I-ROGERS.
N-IPIC.
E-SPERGLE.

It will be seen that the initials spell the name of the State where the American Minister Resident (Hon. J. L. Stevens) comes from—Maine—likewise the State of the American Secretary of State, Mr. Blaine. The last-named ship is British, the others are all American. Should the Britisher leave before any other, the "main" part of the acrostic will still remain.

GIVE THE BOYS A CHANCE.

EDITOR BULLETIN:—Now that the boys have formed a baseball league the games should be played in such a manner as to give the boys a fair show, and not pit a member of one of the big nines, and a college professor, against a nine made up of boys from 12 to 17 years of age.

In the game of Saturday the Valley Boys were overmatched in weight, by the boys in the Punahou nine without the addition of Bissel and Perry. I do not know what the league rules are on this point, but there certainly should be a rule barring 30 or 40 year old boys from a match with youngsters from 12 to 17 years—"Give the boys a chance."

Nov. 11, 1889. S. H. W.

POLICE COURT PROCEEDINGS.

Fifteen drunks had to pay the usual amount.

Kaula was charged with selling spirituous liquor without a license on Sunday, November 10th. He pleaded guilty, and as it was his first offense, asked the Court for leniency. He was fined \$100 with \$1 costs.

Kaula pleaded guilty to a charge of assault and battery on a public officer, in the discharge of his duty, to wit, a policeman. The Court fined him \$20 with twenty days' imprisonment at hard labor.

Al Long was charged with having opium unlawfully in possession. Remanded to the 12th.

HUNDREDS of people were up Punchbowl yesterday. The new road leading there is proving to be a great attraction.

ADVERTISING in the BULLETIN pays every time. A gentleman inserted a notice in Saturday's issue of a cottage to rent. The cottage was rented a few hours later.

FATHER Damien's Photos.

J. J. Williams has for sale by special permission at his studio, Fort street, photographs of the late Father Damien taken shortly before his death. Also, a series of scientific photos of interest to the medical faculty. 385 ft
